September-Septiembre

What We Enjoyed...

We appreciate all your support in making of Children's Day something fun and full of surprises for all our preschoolers. On Sept. 10, our children enjoyed playing games, breaking piñatas, eating lots of candy and delicious food.

On Sept. 12, we enjoyed a wonderful program due to our Independence Day, in which the students from grades 1 to 12 put up a stand for each of the 18 departments of our country. It was a very enriching cultural activity!

Les agradecemos por toda su colaboración para hacer del Día del Niño una celebración divertida y llena de sorpresas para sus hijos e hijas. Ese día, 10 de septiembre, sus pequeños disfrutaron de juegos organizados, piñatas, muchos dulces y ricos bocadillos. Asimismo, estuvo lleno de actividades alusivas al mes de la patria. El 12 de septiembre, toda la escuela disfrutó de un programa educativo en el que los grados de primero a doceavo representaron cada uno un departamento de Honduras, enriqueciendo aún más nuestra cultura hondureña.

Reminders/Recordatorios

- Please remember to check weekly letters every Friday or during the weekends. It is a helpful tool to be inform as a parent on what your child is learning in School. It is posted in our school web under the heading Homework Hero and you also get a copy of it in your family e mails.
- Recuerde revisar nuestras cartas semanales cada viernes o durante los fines de semana para saber que está aprendiendo su hijo o hija. Puede verla en nuestro sitio web bajo el encabezado Homework Hero o también la recibirá en su correo familiar.
- Please remember that you can make appointments with your child's teacher through Ms. Posadas, if you have any questions or concerns about your child's performance.
- Recuerde que puede concertar una cita con la maestro de sus hijos e hijas a través de Ms. Posadas, si tiene alguna pregunta o consulta sobre su desempeño académico.
- The school always has regular fumigations; however, don't forget to send your child with insect repellent or if you wish you can donate some for the class.
- Aunque hay fumigaciones continuas en la escuela, recuerde enviar a la escuela a sus hijos e hijas con repelente y si así lo desea puede donar plaquitas o repelentes al aula de su hijo o hija.
- Please post our letter on the right use of our uniform in a visible place and try to follow the guidelines to reinforce proper use.
- Favor de colocar nuestra carta sobre el uso correcto de nuestro uniforme en un lugar visible para poder seguir los lineamientos para reforzar el uso correcto de este.
- Don't forget to label all your child's belongings.
- Recuerde rotular sweaters, thermos, panas, ya que sin nombre no podremos ayudarles a encontrarlos y devolverlos si se extravían.

Tips for Parents...

- Learning begins at birth. Sing songs, tell nursery rhymes and read to your child. Begin as soon as your baby is born.
 - Set aside special times each day to read to your child, such as naptime, bedtime, or after meals.
 - Select a place that is cozy, quiet and away from distractions. Then cuddle up together laugh, be silly, relax and enjoy! Read with expression and enthusiasm. What children need most is a feeling of comfort about books and reading.
 - Read children's favorites as often as they want to hear them! Children are comforted by an learn best from repetition.
 - Choose books that interest your child or relate to what's happening in the child's life at the time, whether it's a family trip or a new experience such as starting school.
 - Allow your child to touch books, point to words and pictures and turn the pages.
 - Read to and with children...don't expect them to read. If they want to chime in on a word now and then, it's a bonus, but don't create any pressure around the time you spend reading together. Read at a leisurely pace with pauses here and there. This gives children time to take in what they hear.
 - Model all kinds of reading with your children. Let them see you read the newspaper, the TV Guide, recipes, etc. Comment on what you are reading so that they see that reading has many purposes.
